vi) Hangarage Charges

- The charge for hangarage is same as that of Parking.
- If a hanger is placed entirely at the disposal of an operating company, the company will be charged the standard rent for the hanger under separate

arrangements and housing charges will not be recoverable for its aircraft housed thereon.

- When housing space, which has been paid for in advance, is not used, the same may be used for the housing of other aircraft and no refund shall be made to the lessee unless he is prevented by the housing of other aircraft from obtaining accommodation for his aircraft.
- The position of the CAA subsidized flying clubs in Pakistan in regard to the levy of hanger charges in private hangers in respect of aircraft belonging to their members and non-members is as follows :-
 - The charges made by the clubs for housing of member's aircraft are not regarded as governed by sub-paras 1 & 2 above, so long as the clubs do not compete with the housing accommodation offered in CAA hangers and the housing charges made by the clubs to members will be left to the discretion of the club committee.
 - Where charges are made for housing of aircraft in hangers owned or leased by companies or individuals, the charges must conform with the rates laid down in the rules and may be retained by the owner or lessee of the hanger unless other arrangements have been made.
