HQ CAA/1136/302/LCXX

Dated : 02 February, 2022

ISSUANCE OF PENDING NEW FCL / FOO LICENCES

1. The issuance of pending new personnel licences was stopped due to ICAO Significant Safety Concern in September 2020. Pakistan CAA has made dedicated efforts for revamping its Personnel Licencing System. Because of these efforts, Significant Safety concern against Pakistan has now been resolved.
2. Pakistan CAA has restored the process of issuance of ATC and AME licences while efforts are in hand to restore Personnel Licences for Flight Crew and Flight Operations Officers as soon as practicable. A number of queries have been received regarding the status for those individuals who have qualified all or some papers before the suspension of licencing process for issuance of new licences. Pakistan CAA is in process of evaluation of all such cases to look into the possibility of possible credit subject to certain conditions including validity of exam. In this context, all those candidates who have passed all prerequisite papers for issuance of any new licence and have completed associated requirements may now submit their application to Personnel Licencing Directorates for the issuance of new Licence.
3. The candidates who have partially cleared some papers for a particular licence may also forward their full details including the name of paper, date on which they appeared and the result for consideration by Personnel Licence Directorate. All such cases will be evaluated on case-to-case basis after authentication of the record. Applications requesting partial credit may be forwarded to Personnel Licencing Directorate by 15 March 2022.
